En file V.P.

Order thereon

In the Pro: read above
the Govt. accorded sanction
to the repairs of the Narayana
- Swamy Temple in Zedatore
at a cost of Rs 216/ to be

met from the surplus funds of the Institution. But the work was not put in hand, as the Amildar subsequently reported that the sanctioned amount was quite inadequate to meet the cost of the extensive repairs which the dilapidated condition of the temple then needed.

2. The District Muzrai officer now reports that the temple is in an extremely dilapidated state, some portions thereof are even in so dangerous a condition that the Archaks are afraid to go in and that its restoration will involve a large outlay which the resources of the temple can ill-afford to meet. He therefore proposes to dismantle ~~the~~ the.

the front of
temple, sell the materials
by public auction and
utilize the proceeds to
repair only the rear
portion where the idols
are located.

3. See further reports
there is another temple
in Gadatore known as
Chendagal Krishnaswamy.
the idol of which is located
in a small tiled building
erected in a jungle at
some distance from the
Kasaba. Owing to its
situation in a jungle the
temple servants are put
to great inconvenience
and they do not go to the
temple as often as they
would otherwise do. The
Dt. Muzrai officer therefore
proposes to remove the
idol of Krishnaswamy
to the Narayanaswamy
temple alluded to above
and then to sell the

tilled building by public
auction and thereby
augment ^{the} funds required
for the repairs of the
Varaganaswamy Temple.

4. The above proposals of
the District Muzrai Officer
are supported by the Dy.
Commr., and also assented
to by the residents of
the village.

5. Under these circum-
stances, the Government
are pleased to accord their
sanction to the above
proposals being carried
out.
